SOLID SHADE CARD

SOLIDS

An astounding palette of shades for that perfect color match.

SOLID COLORS
HI-GLOSS SOLIDS

While Merino offers an amazing world of vibrant colors, it may at times be perplexing to choose the right shade for your interiors. As an industry first initiative, we present to you our all new mix and match feature using swivel based Solid shade cards. Simply mix and match with various laminate designs to find your perfect color combination.

PRECISE COLOUR MATCHING,
SIMPLIFIED.

Timeless treasures of life

Memories are a peculiar thing, they often become distorted with time. But, we hold on to it like a treasure in the colours of the wall, the books on the shelf, the notes in the drawer, souvenirs from places and people. Here, everything comes together to create the perfect mosaic of our lives.

It's a space that makes pockets of time and with every revisit, we add a little bit of present in the past.

CALPLUS

Make a Lasting Impression

ABOUT MERINO

Since 1967, the journey of Merino has been an extraordinary tale of evolution. Beginning with the humble plywood, the group has constantly introduced new products based on top-of-the-line raw materials, production and technology to achieve the podium on which it stands today. As one of the world's largest manufacturers of decorative laminates, the Merino group is globally recognised as leader in the industry of laminates and surface solutions. Products, technologies and techniques may have evolved but one thing is always constant – focus on quality and the zeal to bring world-class surface solutions for our customers. Today Merino Group has a beautifully strong presence in over 80 countries with an annual turnover of over 245 million USD with diverse business interests that expand from Interior Architectural products to Information Technology to Food & Agro products.

OUR VISION

Our business is built on the steady pillars of a globally relevant mission, a far-reaching vision and, a strong three-pronged motto.

- Our Vision** : Global competence & global competitiveness in every line of business by synergizing western work culture & Indian ethos.
- Our Mission** : Universal weal through trade & industry
- Our Motto** : Economy | Excellence | Ethics
- Excellence in Economy is** : Economic, when founded on work ethics
Sustainable, when nourished by moral ethics
- Our Inspiration** : "Arise, awake and stop not till the goal is reached" - Swami Vivekananda

CERTIFICATES AND ACCREDITATIONS

At Merino, we strive to set higher benchmarks that allow us a global competitive advantage. Right from uncompromising safety standards, sustainable production and manufacturing processes to innovation centric research & development, we ensure a consistent range of superior quality products that comply with international certifications and accreditations.

* Products are available as FSC™ certified upon request
 * NSF International has certified Merino Industries Limited Hapur for Work Surfaces in CGS and HGS grade. For further product listing information visit www.nsf.org/certified-products-systems.

OUR RESPONSIBILITY AS A CORPORATION

At Merino Group, we understand the importance of social responsibility. Our committed CSR policy focuses on various initiatives for the betterment of the environment and society. Our role as a corporation to ensure upliftment of both - our world and its people, is vital to the ethics we hold as an organisation.

Responsibility towards society

We believe, when we grow, our society should grow too. And that's why, we understand the importance of social responsibility. We have committed ourselves to empower and develop our society through various initiatives. We promote girl education through the Swami Vivekananda Arunoday Vidyalaya. Through the 'Shri Prem Chand Lohia Health Centre' at Hapur, we have invested in free treatments and medicines for Tuberculosis patients. We also run a 'Learn to Earn' programme at the Smt. Kasturi Bai Memorial Sewing Centre for women coming from economically weaker backgrounds. Apart from this, the Trust is also actively involved in National Mission Programmes such as Swachh Bharat Mission and the Digital India Drive.

Responsibility towards the environment

Sustainability is at the core of the Merino Group. We incorporate sustainability at various levels to not just conserve energy; but also manage waste effectively. Rice-husk and saw-dust is used to meet our energy requirements. Vegetable waste is used to generate vermi-compost, and boiler ash is used to make bricks. Through our green initiative we develop green belts, plant saplings and use organic fuel & eco-friendly turbines for power generation.

EVERY SURFACE IS YOUR SIGNED MASTERPIECE

The architecture of your home is the reflection of your mind. The aesthetics of your home is the reflection of your heart. Our surfaces are a reflection of both. When every door you open begins a conversation and every chair you pull adds more charm to your elegance. When every tabletop represents your taste, and every closet looks as good as the attires within. That's when your home becomes your own unique masterpiece.

Welcome to the world of Merino – An inspire bouquet of interior design solutions.

WITH MERINO, YOU'RE LIMITED ONLY BY YOUR IMAGINATION.

A house becomes a home when every space within it speaks like the one who lives in it. Merino celebrates a legacy of having decked homes that look like signed masterpieces. From the most intricate functional needs to the loftiest aesthetic aspirations, Merino meets all your expectations.

From grains that echo the spirit of forests to textures that exemplify modern architecture. From designs that resemble stones to the ones that redefine solid colours. At Merino, we have developed an assortment of finishes and textures for the creator in you. Whatever is your style, matte, leather, suede, brush, cement, explore from a wide range of Merino Laminates that are available in an array of designs, textures and sizes. Welcome to the world of beautifully strong: where masterpieces take shape.

Woodgrains

Wherever we go, we build things, big or small to hold our emotions and carry it, pass it on to generations that come after. The instinct to preserve memories in the form of trinkets and artefacts is, in itself, precious.
