### NOTES :

- Size : 2440 mm x 1220 mm [8'x4']  
 Thicknesses : 1.00mm (other thickness available on request)  
 Notes :
- All tests may not be valid for metallic and gloss laminates.
  - Samples pasted, represent only color, pattern and finish and not actual thickness.
  - There may be slight variation in shades in batch to batch, particularly in metallic designs.
  - Bonding of laminates under high humidity, plywood with high moisture content, ply with uneven surface, inferior quality adhesive and insufficient pressure may lead to delamination/ air bubbles in between ply and laminate.
  - BLACK COBRA LAMINATES are used for various applications, without the possibility of control over the manufacturing of the finished products, the company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.
  - BLACK COBRA LAMINATES warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, related to manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only.

THIS IS FOR SAMPLE PURPOSE ONLY. IT IS NOT FOR SALE.

Do not use chemicals for cleaning

Extra care required in vertical pasting of laminates sheet as there is possibility of bubbles due to lack of uniform pressure

Avoid direct sunlight/continuous light. These may cause color fading

Cracking at corners and around cuts may be caused by improper conditioning, improper bonding, and poor planning. Avoid all these to prevent cracking at corners.
